

This response was submitted to the consultation held by the Nuffield Council on Bioethics on *The Forensic use of bioinformation: ethical issues* between November 2006 and January 2007. The views expressed are solely those of the respondent(s) and not those of the Council.

Anon 18

Of course we all want our DNA taken!!

The Police in this country are so bent and dishonest that will give them even more powers of abuse!

Unfortunately the Police can't be trusted to run a bath never mind be responsible for anything like this! but I couldn't give a monkeys like many Brits I'm leaving this place !!

Good luck
