

The response reproduced below was submitted further to an invitation to comment on the draft Discussion Paper by the Nuffield Council on Bioethics: *The use of genetically modified crops in developing countries*, during June to August 2003. The views expressed are solely those of the respondent(s) and not those of the Council.

**Mauricio Bellon: International Maize and Wheat Improvement Center (CIMMYT), Mexico**

[In response to the consultation, Mauricio Bellon submitted to the Council a report entitled *In Situ Conservation of Maize Diversity, Gene Flow, and Transgenes in Mexico*]
