

The response reproduced below was submitted further to an invitation to comment on the draft Discussion Paper by the Nuffield Council on Bioethics: *The use of genetically modified crops in developing countries*, during June to August 2003. The views expressed are solely those of the respondent(s) and not those of the Council.

**Robert Wager MSc, Malaspina University College, Nanaimo, B.C., Canada**

[In response to the consultation, Robert Wager submitted to the Council an article entitled *Biotech's Battle Against Famine* (published in the *Globe and Mail* 25 January, 2002)]
